QUESTION 5

What happened?

Summarize the events and why you believe you experienced housing discrimination because of race, color, national origin, religion, sex, disability, or familial status. For example: Were you refused an opportunity to rent or buy housing? Denied a loan? Told that housing was not available when in fact it was? Treated differently because of the presence of minor children? Denied a disability-related reasonable accommodation? Terminated from participating in a housing-assistance program? Treated differently or denied services by a state, local government, public housing agency, or other organization that may receive money from HUD? Describe the reasons you believe discrimination occurred, any evidence you might have and provide the names of witnesses (if any).

What happened?:

Background:

I, John R. Fouts, am a disabled tenant with a federally protected Mainstream Housing Choice Voucher, which prohibits displacement of disabled individuals under 65. Despite these protections, the HUD Louisville Field Office, under Eric Cobb's leadership, failed to enforce fair housing laws, allowed LMHA to violate my rights, and refused to intervene in an eviction

NOTE: Continued on next page

What happened? (continued):

case they had the authority to stop. Additionally Frank McNeil of Louisville HUD Field Office and Nicole A. Hayden at PIH and James Berrocal at FHEO along with Elizabeth Strojan at LMH, Camille Robinson-LMHA, Rose McCarty-LMHA, Dionne Hopson-LMHA, Terri Thornton-LMHA, Deborah Gilbert-LMHA, and Irina Bassett LMHA have all acted in their individual capacities under Color of Law to deprive me of federally mandated rights.

Key Allegations:

Systemic Failure to Enforce Housing Rights at Every Level of HUD

HUD has failed at the local, regional, and federal levels to enforce fair housing protections.

This failure has led to illegal evictions, housing instability, and violations of federal law.

Lack of Federal Leadership in Preventing Retaliatory Evictions of Disabled Tenants

HUD leadership has failed to implement clear policies preventing wrongful eviction of disabled tenants.

NO CORRECTIVE ACTION AT ANY LEVEL has been taken despite multiple failures across HUD's agencies.

Complete and utter failure - egregious negligence in Protecting Mainstream Voucher Holders Nationwide

If this can happen to me, it is happening to others.

HUD's inaction suggests a much larger and far wider pattern of discrimination against disabled tenants in public housing programs - especially those like me that are under 65.

Feb 9, 2024 to Ongoing (Feb. 2025 - Eviction Hearing and Ongoing Retaliations)

QUESTION 5

What happened?

Summarize the events and why you believe you experienced housing discrimination because of race, color, national origin, religion, sex, disability, or familial status. For example: Were you refused an opportunity to rent or buy housing? Denied a loan? Told that housing was not available when in fact it was? Treated differently because of the presence of minor children? Denied a disability-related reasonable accommodation? Terminated from participating in a housing-assistance program? Treated differently or denied services by a state, local government, public housing agency, or other organization that may receive money from HUD? Describe the reasons you believe discrimination occurred, any evidence you might have and provide the names of witnesses (if any).

What happened?:

Summary of Events & Housing Discrimination:

I, John R. Fouts, have faced ongoing housing discrimination, retaliation, and violations of disability and family protections under VAWA, ADA, Fair Housing Act, and Section 504. The landlord, Station J-Town, in coordination with Louisville Metro Housing Authority (LMHA) and HUD officials, along with PIH, have engaged in a pattern of retaliation, denial of rights, and discrimination that resulted in an unlawful eviction attempt, intimidation, and lack of due process protections.

Key Discrimination Claims:

Retaliation & Disability Discrimination:

Despite my documented disabilities and a doctor's letter stating it is unsafe for me to be forcibly displaced, Station J-Town moved forward with eviction in violation of protections

NOTE: Continued on next page

What happened? (continued):

under VAWA & Fair Housing Act (42 U.S.C. § 3601 et seq.).

I have a Mainstream Housing Voucher, which prohibits displacement of disabled individuals, yet HUD & LMHA refused to enforce my rights.

Retaliation for Exercising Housing Rights:

I have previously filed multiple complaints regarding housing conditions and HUD's failure to enforce protections.

LMHA & HUD officials refused to communicate with me prior to the eviction hearing, violating due process and equal access rights.

Retaliation has included refusal to process necessary housing accommodations and issuing an eviction notice despite accepting rent for February.

Unlawful Eviction Attempt & Misrepresentation of Rent Payments:

Station J-Town accepted rent for the month of February and later claimed I owed money, which violates Kentucky eviction laws that make an eviction notice moot if rent is accepted for that period.

The eviction notice wrongfully states that I forcibly detained the unit in December 2024, even though my lease ran through February 8, 2025.

Station J-Town falsely claimed I only paid \$5 toward rent, while my documented payments show over \$200 per month covering shared utilities and rental obligations.

Failure of HUD & LMHA to Uphold Housing Rights:

James Berrocal (FHEO) and HUD PIH officials (Nicole Hayden) have ignored repeated requests for intervention.

HUD failed to provide oversight and did not enforce anti-displacement protections for disabled individuals with Mainstream Vouchers.

Louisville Metro Housing Authority (LMHA) has refused to provide proper documentation, refused to engage in due process, and blocked communication prior to the eviction hearing.

Request for HUD Investigation & Relief Sought:

I am requesting immediate intervention and enforcement of my housing rights under the Fair Housing Act, Section 504, ADA, and VAWA protections. Specifically:

A full investigation into Station J-Town and Vida Management for unlawful eviction, retaliation, and disability discrimination.

An immediate order stopping any further eviction filings and ensuring my housing remains protected.

Accountability for HUD officials (Nicole Hayden, Frank McNeil, James Berrocal) and LMHA for failing to enforce housing protections.

Financial compensation and corrective action for the harm caused by these discriminatory actions.

Key Allegations:

1 Failure to Provide Federal Oversight of PIH Region 4 & HUD Louisville

Despite multiple documented failures at the local and regional levels, HUD at the federal level has failed to intervene.

The negligence of PIH's federal leadership has allowed violations of my housing rights to continue unchecked.

2 Systemic Failure to Enforce Mainstream Voucher Protections

This is not just an individual case—HUD has failed nationwide to ensure that Mainstream Voucher holders are protected from forced displacement.

HUD PIH leadership must investigate why their programs are failing disabled tenants across the country.

3 Refusal to Address Retaliation & Disability Discrimination in Housing

Federal PIH officials have ignored reports of retaliation and procedural violations, despite their **FEDERAL OBLIGATION** to enforce housing protections.

Relationship: HUD's local field office is responsible for ensuring that LMHA complies with federal housing laws and protections. willful negligence, retaliation, and obstruction in enforcing my federal housing rights.

Additional HUD Louisville Staff are also involved --
Other local HUD representatives who failed to respond to my case...

Background:

I, John R. Fouts, am a disabled tenant with a federally protected Mainstream Housing Choice Voucher, which prohibits displacement of disabled individuals under 65. Despite these protections, the HUD Louisville Field Office, under Eric Cobb's leadership, failed to enforce fair housing laws, allowed LMHA to violate my rights, and refused to intervene in an eviction

What happened? (continued):

case they had the authority to stop.

Key Allegations Against HUD Louisville Field Office / Eric Cobb:

1 Failure to Provide Oversight & Stop LMHA's Violations

LMHA, which operates under HUD Louisville's oversight, ignored federal housing protections and failed to enforce my rights.

Eric Cobb and his office failed to enforce HUD policies, allowing LMHA to move forward with an illegal eviction.

No intervention was made before my eviction hearing, despite clear violations of the Fair Housing Act & Mainstream Voucher protections.

2 Negligence & Failure to Respond to Housing Complaints

I have repeatedly reached out to HUD Louisville regarding LMHA's misconduct, yet Eric Cobb and his office failed to take action.

This negligence allowed my housing crisis to escalate, despite multiple federal protections in place.

HUD Louisville failed to coordinate with PIH or FHEO to properly investigate my claims and stop my forced displacement.

3 Refusal to Address Retaliation & Discrimination Complaints

My landlord and LMHA have acted in retaliation for my previous fair housing complaints, and HUD Louisville ignored this pattern of misconduct.

Despite HUD's responsibility to investigate housing discrimination, they took no action to protect me from retaliatory eviction.

Requested Relief from HUD Louisville:

1 An immediate investigation into HUD Louisville's failure to enforce fair housing laws and stop LMHA's illegal actions.

2 Accountability measures against Eric Cobb for negligence and refusal to oversee LMHA's compliance.

3 A corrective action plan to prevent further failures in HUD Louisville's enforcement of fair housing protections.

4 Immediate federal intervention to stop my eviction and ensure my Mainstream Voucher protections are enforced.

First name (or business name):	HUD Region 4 – Public & Indian Housing (PIH)

QUESTION 4

When did the discrimination happen?

If it happened multiple times or is still happening, provide the most recent date you experienced discrimination.

Date(s) of discrimination:

Ongoing - February 2025 (Unlawful Eviction Hearing & FHEO's Failure to Intervene)

☒ The alleged discrimination is continuing or ongoing or the alleged discrimination is still happening.

QUESTION 5

What happened?

Summarize the events and why you believe you experienced housing discrimination because of race, color, national origin, religion, sex, disability, or familial status. For example: Were you refused an opportunity to rent or buy housing? Denied a loan? Told that housing was not available when in fact it was? Treated differently because of the presence of minor children? Denied a disability-related reasonable accommodation? Terminated from participating in a housing-assistance program? Treated differently or denied services by a state, local government, public housing agency, or other organization that may receive money from HUD? Describe the reasons you believe discrimination occurred, any evidence you might have and provide the names of witnesses (if any).

What happened?:

Relationship: PIH is responsible for overseeing public housing agencies (like LMHA) and ensuring that federally issued housing vouchers, such as my Mainstream Voucher, are enforced and protected.

Additional PIH Staff:

Frank H. McNeil (HUD PIH Region 4)

Other HUD PIH officials responsible for voucher program oversight.

I, John R. Fouts, am a disabled tenant with a federally protected Mainstream Housing Choice Voucher, which prohibits displacement of disabled individuals under 65. Despite these protections, HUD Region 4 officials, including Nicole A. Hayden (PIH), have engaged in willful negligence, retaliation, and obstruction in enforcing my federal housing rights.

NOTE: Continued on next page

What happened? (continued):

1 Failure to Enforce Mainstream Voucher Protections

My Mainstream Housing Voucher explicitly prohibits displacement, yet PIH refused to intervene when LMHA and my landlord initiated eviction proceedings.

PIH has a legal obligation to ensure voucher holders are protected from wrongful displacement—yet they have ignored all communications regarding enforcement.

This negligence has led to severe housing instability, emotional distress, and violations of federal housing protections.

2 Failure to Investigate LMHA's Misconduct

LMHA failed to uphold my housing rights, and PIH did nothing to hold them accountable.

HUD PIH is responsible for ensuring that Public Housing Authorities (PHAs), such as LMHA, comply with federal regulations, but they failed to act.

Despite repeated complaints, HUD PIH officials refused to step in, allowing LMHA to continue obstructing my voucher rights.

3 Negligence & Systemic Failure in Housing Oversight

HUD PIH is required to monitor PHAs for compliance with federal laws, including the Fair Housing Act, ADA, and Section 504.

Instead of enforcing HUD policies, PIH allowed a Public Housing Authority (LMHA) to proceed with an unlawful eviction, violating my rights.

This failure represents gross negligence in the administration of federal housing programs and warrants federal intervention.

4 Obstruction of Due Process Before Eviction Hearing

HUD PIH failed to provide essential housing documentation or assistance before my eviction hearing.

No response was given prior to the hearing, effectively blocking me from utilizing federal housing protections in my defense.

This lack of action led directly to my landlord proceeding with an eviction that should have been legally blocked by HUD's own regulations.

Requested Relief from HUD:

1 A full investigation into HUD PIH Region 4's failure to enforce Fair Housing Act & Section 50 protections.

2 Immediate federal intervention to stop the eviction process and ensure compliance with disability housing laws.

3 Accountability measures against Nicole A. Hayden for negligence and willful refusal to enforce voucher protections.

4 Corrective action, including mandatory enforcement of Mainstream Voucher protections and oversight into HUD PIH's mishandling of fair housing cases.

5 A direct response from HUD leadership addressing the lack of intervention and an immediate review of policies regarding anti-displacement protections for disabled voucher holders.

What happened?:

Relationship: FHEO is supposed to investigate housing discrimination complaints and enforce the Fair Housing Act, but Berrocal has willfully ignored my case.

NOTE: Continued on next page

What happened? (continued):

1 Failure to Investigate My Fair Housing Discrimination Complaint and Miscategorization of my FORMAL LEGAL DISCRIMINATION COMPLAINT as a REQUEST NUMBER instead of a COMPLAINT.

I filed multiple complaints regarding disability discrimination and retaliation, but Berrocal and FHEO failed to act.

FHEO's refusal to investigate allowed my landlord to proceed with an illegal eviction against a disabled tenant in violation of Fair Housing laws.

2 Retaliation & Obstruction of Due Process

I have made multiple attempts to get FHEO to enforce my rights, but they refuse to investigate. Berrocal has personally ignored my requests for intervention despite clear evidence of discrimination and housing violations.

3 Negligence in Enforcing HUD's Own Policies

FHEO's inaction is a direct violation of its mission to protect tenants from housing discrimination.

Their refusal to act has allowed LMHA and my landlord to proceed with eviction despite federal housing protections.

- 2** Immediate federal intervention to stop the eviction process and protect my housing rights.

QUESTION 5

What happened?

For example: Were you refused an opportunity to rent or buy housing? Denied a loan? Told that housing was not available when in fact it was? Treated differently because of the presence of minor children? Denied a disability-related reasonable accommodation? Terminated from participating in a housing-assistance program? Treated differently or denied services by a state, local government, public housing agency, or other organization that may receive money from HUD? Describe the reasons you believe discrimination occurred, any evidence you might have and provide the names of witnesses (if any).

What happened?:

Background:

I, John R. Fouts, am a disabled tenant with a federally protected Mainstream Housing Choice Voucher, which prohibits displacement of disabled individuals under 65. Despite these protections, Louisville Metro Housing Authority (LMHA) has engaged in systemic discrimination, retaliation, and procedural violations that have directly led to an unlawful eviction attempt and denial of reasonable housing accommodations.

Elizabeth Strojan, Camille Robinson, Deborah Gilbert, Rose McCarty, Irina Bassett, Terri Thornton and Dionne Hopson, and others - this list is NOT all inclusive - are acting in their individual capacities under Color of Law to deprive me of federally mandated rights.

NOTE: Continued on next page

What happened? (continued):

Key Allegations Against LMHA:

1 Failure to Enforce Mainstream Voucher Protections

My Mainstream Housing Voucher protects me from displacement, yet LMHA refused to intervene when my landlord, Station J-Town, filed for eviction.

LMHA failed to uphold its obligation under HUD rules to ensure disabled tenants are protected from wrongful evictions.

2 Refusal to Communicate or Provide Due Process Before Eviction Hearing

LMHA representatives, including Elizabeth Strojan, Camille Robinson, and Rose McCarty, refused to provide essential housing documentation or assistance before my eviction hearing. Despite repeated requests, LMHA ignored my inquiries regarding my lease status, voucher protections, and accommodation requests.

This lack of response severely impacted my ability to defend against the eviction.

3 Retaliation for Exercising Housing Rights

I have previously filed multiple complaints regarding LMHA's failures, and I believe this lack of response is retaliatory.

LMHA's refusal to engage has directly contributed to housing instability and emotional distress.

4 Disability Discrimination – Failure to Accommodate

LMHA failed to process or facilitate my disability accommodations, despite medical documentation showing my condition requires stable housing.

My doctor explicitly stated that displacement would pose a serious medical risk, yet LMHA failed to act.

Requested Relief from HUD:

1 Immediate investigation into LMHA's failure to enforce Mainstream Voucher protections.

2 An order ensuring that LMHA upholds my housing rights and halts eviction-related actions.

3 Accountability measures against LMHA representatives (Strojan, Robinson, McCarty) for negligence and failure to uphold housing protections.

4 Corrective action, including policy enforcement to prevent similar violations against other disabled tenants.

The individuals mentioned are acting under the Color of Law in their individual capacities.

Relationship: FHEO is supposed to investigate housing discrimination complaints and enforce the Fair Housing Act, but Berrocal has willfully ignored my case.

1 Failure to Investigate My Fair Housing Discrimination Complaint and Miscategorization of my FORMAL LEGAL DISCRIMINATION COMPLAINT as a REQUEST NUMBER instead of a COMPLAINT.

I filed multiple complaints regarding disability discrimination and retaliation, but Berrocal and FHEO failed to act.

FHEO’s refusal to investigate allowed my landlord to proceed with an illegal eviction against a disabled tenant in violation of Fair Housing laws.

2 Retaliation & Obstruction of Due Process

I have made multiple attempts to get FHEO to enforce my rights, but they refuse to investigate. Berrocal has personally ignored my requests for intervention despite clear evidence of discrimination and housing violations.

3 Negligence in Enforcing HUD's Own Policies

FHEO’s inaction is a direct violation of its mission to protect tenants from housing discrimination.

Their refusal to act has allowed LMHA and my landlord to proceed with eviction despite federal housing protections.

Relief Sought:

- 1** A formal investigation into FHEO Region 4’s failure to investigate fair housing complaints.
- 2** Immediate federal intervention to stop the eviction process and protect my housing rights.
- 3** Accountability measures against James Berrocal for failing to enforce the Fair Housing Act.
- 4** Corrective action to ensure future complaints from disabled tenants are properly investigated.

Edit this section

Ongoing - TODAY (MARCH) 2025 (Unlawful Eviction Hearing & FHEO's Failure to Intervene)
Relationship: PIH, NICOLE A. HAYDEN, is responsible for overseeing public housing agencies

(like LMHA) and

ensuring that federally issued housing vouchers, such as my Mainstream Voucher, are enforced and protected.

Additional PIH Staff:

Frank H. McNeil (HUD PIH Region 4)

Other HUD PIH officials responsible for voucher program oversight.

I, John R. Fouts, am a disabled tenant with a federally protected Mainstream Housing Choice Voucher, which prohibits displacement of disabled individuals under 65. Despite these protections, HUD Region 4 officials, including Nicole A. Hayden (PIH), have engaged in willful negligence, retaliation, and obstruction in enforcing my federal housing rights.

● 1. Failure to Enforce Mainstream Voucher Protections

My Mainstream Housing Voucher explicitly prohibits displacement, yet PIH refused to intervene when LMHA and my landlord initiated eviction proceedings.

PIH has a legal obligation to ensure voucher holders are protected from wrongful displacement — yet they have ignored all communications regarding enforcement.

This negligence has led to severe housing instability, emotional distress, and violations of federal housing protections.

● 2. Failure to Investigate LMHA's Misconduct

LMHA failed to uphold my housing rights, and PIH did nothing to hold them accountable.

HUD PIH is responsible for ensuring that Public Housing Authorities (PHAs), such as LMHA, comply with federal regulations, but they failed to act.

Despite repeated complaints, HUD PIH officials refused to step in, allowing LMHA to continue obstructing my voucher rights.

● 3. Negligence & Systemic Failure in Housing Oversight

HUD PIH is required to monitor PHAs for compliance with federal laws, including the Fair Housing Act, ADA, and Section 504.

Instead of enforcing HUD policies, PIH allowed a Public Housing Authority (LMHA) to proceed with an unlawful eviction, violating my rights.

This failure represents gross negligence in the administration of federal housing programs and warrants federal intervention.

● 4. Obstruction of Due Process Before Eviction Hearing

HUD PIH failed to provide essential housing documentation or assistance before my eviction hearing.

No response was given prior to the hearing, effectively blocking me from utilizing federal housing protections in my defense.

This lack of action led directly to my landlord proceeding with an eviction that should have been legally blocked by HUD's own regulations.

Requested Relief from HUD:

● 1. A full investigation into HUD PIH Region 4's failure to enforce Fair Housing Act & Section 504 protections.

● 2. Immediate federal intervention to stop the eviction process and ensure compliance with disability housing laws.

● 3. Accountability measures against Nicole A. Hayden for negligence and willful refusal to enforce voucher protections.

● 4. Corrective action, including mandatory enforcement of Mainstream Voucher protections and oversight into HUD PIH's mishandling of fair housing cases.

5. A direct response from HUD leadership addressing the lack of intervention and an immediate review of policies regarding anti-displacement protections for disabled voucher holders.

Ongoing-Most Recent Unlawful Eviction Hearing & HUD&LMHA's REFUSAL to Intervene
Relationship: HUD's local field office is responsible for ensuring that LMHA complies with

federal housing laws and protections.willful negligence, retaliation, and obstruction in enforcing my federal housing rights.

Additional HUD Louisville Staff are also involved --

Other local HUD representatives who failed to respond to my case...

Background:

I, John R. Fouts, am a disabled tenant with a federally protected Mainstream Housing Choice Voucher, which prohibits displacement of disabled individuals under 65. Despite these protections, the HUD Louisville Field Office, under Eric Cobb's leadership, AND LOUISVILLE FIELD OFFICE HUD WORKER FRANK H. MCNEIL failed AND REFUSED to enforce fair housing laws, allowed LMHA to violate my rights, and refused to intervene in an eviction
Key Allegations Against HUD Louisville Field Office / Eric Cobb / FRANK H. MCNEIL:

● 1. Failure to Provide Oversight & Stop LMHA's Violations

LMHA, which operates under HUD Louisville's oversight, ignored federal housing protections and failed to enforce my rights.

Eric Cobb, FRANK H. MCNEIL and his office failed to enforce HUD policies, allowing LMHA to move forward with an illegal eviction.

No intervention was made before my eviction hearing, despite clear violations of the Fair Housing Act & Mainstream Voucher protections.

● 2. Negligence & Failure to Respond to Housing Complaints

I have repeatedly reached out to HUD Louisville regarding LMHA's misconduct, yet Eric Cobb AND FRANK MCNEIL and his office failed AND REFUSED to take action.

This negligence allowed my housing crisis to escalate, despite multiple federal protections in place.

HUD Louisville failed to coordinate with PIH or FHEO to properly investigate my claims and stop my forced displacement.

● 3. Refusal to Address Retaliation & Discrimination Complaints

My landlord and LMHA have acted in retaliation for my previous fair housing complaints, and HUD Louisville ignored this pattern of misconduct.

Despite HUD's responsibility to investigate housing discrimination, they took no action to protect me from retaliatory eviction.

Requested Relief from HUD Louisville:

● 1. An immediate investigation into HUD Louisville's failure to enforce fair housing laws and stop LMHA's illegal actions.

● 2. Accountability measures against Eric Cobb AND FRANK H. MCNEIL for negligence and refusal to oversee LMHA's compliance.

● 3. A corrective action plan to prevent further failures in HUD Louisville's enforcement of fair housing protections.

● 4. Immediate federal intervention to stop my eviction and ensure my Mainstream Voucher protections are enforced.

Ongoing- Most Recent Unlawful Eviction Hearing & HUD&LMHA's Failure AND REFUSAL to Intervene

Background:

I, John R. Fouts, am a disabled tenant with a federally protected Mainstream Housing Choice Voucher, which prohibits displacement of disabled individuals under 65. Despite these protections, the HUD Louisville Field Office, under Eric Cobb’s leadership, failed to enforce fair housing laws, allowed LMHA to violate my rights, and refused to intervene in an eviction case they had the authority to stop. Additionally, Frank McNeil of Louisville HUD Field Office and Nicole A. Hayden at PIH and James Berrocal at FHEO, along with Elizabeth Strojan at LMH, Camille Robinson-LMHA, Rose McCarty-LMHA, Dionne Hopson-LMHA, Terri Thornton-LMHA, Deborah Gilbert-LMHA, and Irina Bassett-LMHA have all acted in their individual capacities under Color of Law to deprive me of federally mandated rights.

Key Allegations:

- 1. Failure to Provide Federal Oversight of PIH Region 4 & HUD Louisville
Despite multiple documented failures at the local and regional levels, HUD at the federal level has failed to intervene.
The negligence of PIH’s federal leadership has allowed violations of my housing rights to continue unchecked.
- 2. Systemic Failure to Enforce Mainstream Voucher Protections
This is not just an individual case — HUD has failed nationwide to ensure that Mainstream Voucher holders are protected from forced displacement.
HUD PIH leadership must investigate why their programs are failing disabled tenants across the country.
- 3. Refusal to Address Retaliation & Disability Discrimination in Housing
Federal PIH officials have ignored reports of retaliation and procedural violations, despite their FEDERAL OBLIGATION to enforce housing protections.

Andrew Zeh, Counsel for Station J-Town, Lauren Stallings, and Teresa Ramon: Enabling Criminal Activity

Andrew Zeh, acting as legal counsel for Station J-Town (New Chestnut Ridge Apartments LLC, a Vida-Management, Inc. property), Lauren Stallings, and Teresa Ramon, has knowingly and

willfully supported illegal actions in violation of federal and state housing laws. Rather than upholding ethical legal standards, Zeh has actively aided and abetted criminal misconduct by facilitating unlawful eviction tactics, suppressing due process, and obstructing federally protected tenant rights.

1. Enabling Unlawful Eviction & Retaliatory Conduct

Station J-Town and its management personnel have engaged in fraudulent eviction practices, including falsifying rent payment records, ignoring Kentucky landlord-tenant laws, and retaliating against me for asserting my federally protected housing rights.

Despite knowing the eviction is unlawful, Zeh has continued to push forward procedurally defective filings without addressing the clear violations of the Fair Housing Act, ADA, Section 504, and VAWA protections.

He has directly assisted in retaliatory actions against a disabled tenant, in clear violation of federal anti-retaliation protections under HUD regulations.

2. Obstruction of Justice & Suppression of Due Process

Zeh has actively misrepresented facts in legal filings, knowing that Station J-Town accepted rent payments but falsely claimed nonpayment to justify an illegal eviction.

He has participated in denying essential housing documentation, a due process violation, making it impossible to defend against the eviction.

His legal maneuvering has obstructed enforcement of federal housing laws, ensuring that Station J-Town can proceed with unlawful displacement tactics unchecked.

3. Aiding & Abetting Housing Fraud and Discriminatory Practices

Lauren Stallings and Teresa Ramon, under Zeh's legal advisement, have engaged in housing fraud by providing false statements regarding lease obligations, rent payments, and compliance with federal protections.

Zeh has knowingly defended and protected these fraudulent practices, shielding Station J-Town from legal accountability while coercing the court system to act against a federally protected tenant.

This constitutes willful complicity in criminal housing fraud, discrimination, and wrongful eviction practices, exposing him to potential legal liability under federal RICO statutes and civil rights violations.

Immediate Demand for Accountability & Legal Action

Given Zeh's deliberate and unethical actions, I am requesting:

A formal investigation into Andrew Zeh's misconduct and his role in facilitating illegal eviction practices and housing fraud.

Immediate legal consequences, including disbarment proceedings for his involvement in obstructing justice and suppressing federally protected tenant rights.

Accountability measures against Station J-Town, Lauren Stallings, and Teresa Ramon, ensuring that their unlawful actions are fully prosecuted under federal housing law.

An official injunction preventing any further eviction actions until all federal housing protections are properly enforced.

Criminal referrals to the appropriate authorities for housing fraud, Fair Housing Act violations, and conspiracy to commit civil rights abuses.

Andrew Zeh's intentional misconduct has directly contributed to my housing instability and legal hardship, and his actions cannot go unchallenged. Federal intervention is necessary to ensure justice, accountability, and the full protection of disabled tenant rights under the law.

Summary of Events & Housing Discrimination:
I, John R. Fouts, have faced ongoing housing discrimination, retaliation, and violations of disability and family protections under VAWA, ADA, Fair Housing Act, and Section 504. The landlord, Station J-Town, in coordination with Louisville Metro Housing Authority (LMHA) and

HUD officials, along with PIH, have engaged in a pattern of retaliation, denial of rights, and discrimination that resulted in an unlawful eviction attempt, intimidation, and lack of due process protections.

Key Discrimination Claims:

Retaliation & Disability Discrimination:

Despite my documented disabilities and a doctor's letter stating it is unsafe for me to be forcibly displaced, Station J-Town moved forward with eviction in violation of protections Under VAWA & Fair Housing Act (42 U.S.C. § 3601 et seq.),

I have a Mainstream Housing Voucher, which prohibits displacement of disabled individuals, yet HUD & LMHA refused to enforce my rights.

Retaliation for Exercising Housing Rights:

I have previously filed multiple complaints regarding housing conditions and HUD's failure to enforce protections.

LMHA & HUD officials refused to communicate with me prior to the eviction hearing, violating due process and equal access rights.

Retaliation has included refusal to process necessary housing accommodations and issuing an eviction notice despite accepting rent for February.

Unlawful Eviction Attempt & Misrepresentation of Rent Payments:

Station J-Town accepted rent for the month of February and later claimed I owed money, which violates Kentucky eviction laws that make an eviction notice moot if rent is accepted for that period.

The eviction notice falsely states that I forcibly detained the unit in December 2024, even though my lease ran through February 8, 2025.

Station J-Town falsely claimed I only paid \$5 toward rent, while my documented payments show over \$200 per month covering shared utilities and rental obligations.

Failure of HUD & LMHA to Uphold Housing Rights:

James Berrocal (FHEO) and HUD PIH officials (Nicole Hayden) have ignored repeated requests for intervention.

HUD failed to provide oversight and did not enforce anti-displacement protections for disabled individuals with Mainstream Vouchers.

Louisville Metro Housing Authority (LMHA) has refused to provide proper documentation, refused to engage in due process, and blocked communication prior to the eviction hearing.

Request for HUD Investigation & Relief Sought:

I am requesting immediate intervention and enforcement of my housing rights under the Fair Housing Act, Section 504, ADA, and VAWA protections. Specifically:

A full investigation into Station J-Town and Vida Management for unlawful eviction, retaliation, and disability discrimination.

An immediate order stopping any further eviction filings and ensuring my housing remains protected.

Accountability for HUD officials (Nicole Hayden, Frank McNeil, James Berrocal) and LMHA for failing to enforce housing protections.

Financial compensation and corrective action for the harm caused by these discriminatory actions.

March 2025 Update:

Despite my repeated efforts to seek enforcement of my federally protected housing rights, HUD,

LMHA, and PIH officials continue to neglect their obligations, resulting in ongoing housing instability and retaliation.

Station J-Town and Vida Management have continued their eviction efforts, disregarding my federally protected rights under the Fair Housing Act, ADA, VAWA, and Section 504. HUD PIH Region 4 and FHEO officials (James Berrocal, Nicole Hayden, and Frank McNeil) have failed to intervene, despite multiple legal filings and direct communication. HUD has ignored federal oversight responsibilities, allowing LMHA to continue violating anti-displacement protections for disabled tenants. LMHA representatives (Elizabeth Strojan, Camille Robinson, Rose McCarty, Dionne Hopson, Terri Thornton, Deborah Gilbert, and Irina Bassett) continue obstructing my housing rights by

Subject: Re: HUD Fair Housing Complaint – JOHN FOUTS (Ongoing Discrimination & Retaliation)

To Whom It May Concern,

I am responding to your March 17, 2025, letter in which you fraudulently claim that my complaint is untimely due to the one-year statute of limitations under the Fair Housing Act (FHA). **Your analysis is both legally and factually incorrect for the following reasons, and you, nor HUD, nor PIH, nor LMHA, nor Station J-Town nor individuals involved are going to get away with the criminal activity you continue to exhibit:**

1. The Discriminatory Acts Are Ongoing

The alleged discrimination and retaliation are **not** confined to a single act on March 2, 2023. Rather, they have been **continuous and ongoing (AS NOTED DIRECTLY ON THE FORMS I SUBMITTED - ON THE 903 FORMS)**, including **continued retaliatory eviction efforts, suppression/removal/stripping of federally protected tenant rights, and complete obstruction of due process** to this very day. Under well-established Fair Housing Act jurisprudence, **a continuing violation tolls the statute of limitations**, meaning the one-year limit does not apply as long as discrimination continues.

HUD's own regulations and legal precedent affirm that **ongoing acts of retaliation and discrimination reset the clock on the statute of limitations with each occurrence**. Thus, your attempt to dismiss my complaint on timeliness grounds is not only legally flawed and completely fraudulent, but also a direct failure of HUD to enforce the very laws it is charged with upholding.

2. Retaliation for Exercising Housing Rights is Unlawful, and It is Ongoing

Under **42 U.S.C. § 3617**, it is illegal to "coerce, intimidate, threaten, or interfere with" any person who exercises their Fair Housing rights.

This includes **retaliatory eviction, intimidation, and denial of reasonable accommodations**, all of which I have documented in detail. Retaliation does not have a statute of limitations as long as it continues, and **I am still facing active retaliation as is my special needs disabled child. Clearly, HUD, is also acting in discriminatory fashion against us and retaliating us standing up for our federally protected rights.**

HUD is knowingly abdicating its duty to prevent illegal retaliation under the FHA, exposing itself to litigation under the Administrative Procedure Act (APA) for failure to enforce civil rights laws.

3. HUD's Jurisdictional Analysis is Incorrect

Your response, again, fraudulently, suggests that my case does not fall under the Fair Housing Act's jurisdiction. **This is blatantly false.** My complaint clearly details violations

of:

- **Disability Discrimination (42 U.S.C. § 3604(f))**
- **Retaliation for Exercising Fair Housing Rights (42 U.S.C. § 3617)**
- **Obstruction of Due Process & Denial of Tenant Rights (Section 504 of the Rehabilitation Act, the ADA, and HUD's own regulations)**

HUD has no legal basis to deny jurisdiction over this matter.

A refusal to investigate will be **documented as HUD's direct failure to enforce federal law**, and I will **escalate this to the DOJ and Office of the Inspector General** for further action.

4. HUD's Refusal to Investigate is De Facto Discrimination

HUD's decision to **ignore a disabled tenant's legally protected rights and dismiss an active discrimination case under a false procedural pretext constitutes systemic discrimination and government misconduct.**

If HUD refuses to act, it is in violation of its own mandate to enforce civil rights protections.

HUD's refusal to investigate also constitutes **constructive discrimination** under federal law.

If you do not immediately reverse this decision, I will be **filing an administrative complaint against HUD itself** and escalating this case **to the Office of Civil Rights and the DOJ IMMEDIATELY.**

5. Immediate Demand for Investigation and Injunctive Relief

Given the **ongoing discrimination and retaliation**, I am demanding the following immediate actions:

1. **Formal HUD Investigation:** My complaint must be accepted and fully investigated, including interviews with all parties involved.
2. **Emergency Injunction:** HUD must prevent further retaliatory eviction attempts and discrimination under the FHA including the upcoming second Eviction attempt under false pretenses set up fraudulently.
3. **Federal Referral:** If HUD claims it lacks jurisdiction, this case must be referred to **the Department of Justice for enforcement under federal civil rights laws IMMEDIATELY.**
4. **Official Response from HUD by the end of the day - 5pm EST:** I expect written confirmation that this complaint will proceed. A failure

to respond will result in **federal litigation against HUD for dereliction of duty.**

HUD's refusal to act on ongoing discrimination is a **direct violation of federal law** and constitutes **deliberate indifference to civil rights violations**. If corrective action is not taken immediately, I will pursue every legal remedy available, including seeking a **court order compelling HUD to perform its statutory obligations**.

This blatant failure underscores the deep corruption within HUD and its internal agencies, as they continue to fabricate false justifications to evade accountability. This fraudulent misconduct will not go unchallenged. I expect your immediate response before further and additional legal action is pursued.

I also noticed you had removed all the CCed and BCCed entities on the email thread - so I have taken the liberty to ensure they were re-added.

Sincerely,

John R. Fouts, MBA

Dear JOHN FOUTS,

This email acknowledges receipt of your complaint.

Our office, the Office of Fair Housing and Equal Opportunity, administratively enforces the Fair Housing Act designed to afford all persons an equal opportunity to live in housing of their choice and to participate in HUD-assisted programs and activities without regard to **race, color, national origin, sex (including gender identity and sexual orientation), religion, familial status (families with children under 18) or disability**. For our office to assist you, the law requires your experiences to be connected to the above underlined protections. Meaning, you would have to explain to us what was said or done by the respondent to your complaint that is related to the above underlined protections under the Fair Housing Act.

The statute of limitations to file a housing discrimination complaint is one year from the date of the alleged violation for applicable federal fair housing laws. You indicated that the most recent discriminatory act occurred on 03/02/2023, and we received your complaint on 03/15/2025. Since the incident occurred more than one year ago, your complaint is not timely filed and cannot be

accepted. However, you may retain a private attorney and file a civil suit under the Fair Housing Act up to two years after the last discriminatory action.

Also, under the Fair Housing Act, a denial based on “familial status” means you were denied because you are a family with minor children, a person securing custody of a minor child, or a person who is pregnant. The Fair Housing Act, with some exceptions, prohibits discrimination in housing against families with children under 18. In addition to prohibiting an outright denial of housing to families with children, the Act also prevents housing providers from imposing any special requirements or conditions on tenants with custody of children. Based on the information you provided, this does not appear to apply to your situation.

Additionally, the Act makes it illegal to retaliate against, coerce, intimidate, threaten, or interfere with any person who has filed a previous Fair Housing Act complaint or aided or encouraged another in doing so. Fair Housing Act complaints are those in which the complainant alleges that because of his/her protected characteristics, the housing provider engaged in a discriminatory housing practice prohibited under the Act and discriminated against him/her. If you file a Fair Housing Act complaint and your landlord takes adverse action against you because you filed this type of complaint or because you assisted another person in filing this type of complaint, then such adverse action would be an illegal form of retaliation under the Fair Housing Act. Based on the information you provided, this does not appear to apply to your situation; therefore, our office does not have jurisdiction to accept your complaint for investigation.

Based upon the information provided, your concerns may be issues involving your rights under state law. HUD does not enforce state laws, nor can HUD provide legal representation. We recommend that you consult with legal aid or a private attorney to ascertain any right of action you may have under state or local laws. Legal Aid of Kentucky: <http://www.kyjustice.org>.

What happened?:

[Andrew Zeh, Counsel for Station J-Town, Lauren Stallings, and Teresa Ramon: Enabling Criminal Activity Andrew Zeh, acting as legal counsel for Station J-Town \(New Chestnut Ridge Apartments LLC, a Vida-Management, Inc. property\), Lauren Stallings, and Teresa Ramon, has knowingly and willfully supported illegal actions in violation of federal and state housing laws. Rather than upholding ethical legal standards, Zeh has actively aided and abetted criminal misconduct by facilitating unlawful eviction tactics, suppressing due process, and obstructing federally protected tenant rights. 1. Enabling Unlawful Eviction & Retaliatory Conduct Station J-Town and its management personnel have engaged in fraudulent eviction practices, including falsifying rent payment records, ignoring Kentucky landlord-tenant laws, and retaliating against me for asserting my federally protected housing rights. Despite knowing the eviction is unlawful, Zeh has continued to push forward procedurally defective filings without addressing the clear violations of the Fair Housing Act, ADA, Section 504, and VAWA protections. He has directly assisted in retaliatory actions against a disabled tenant, in clear violation of federal anti-retaliation protections under HUD regulations. 2. Obstruction of Justice & Suppression of Due Process Zeh has actively misrepresented facts in legal filings, knowing that Station J-Town accepted rent payments but falsely claimed nonpayment to justify an illegal eviction. He has participated in denying essential housing documentation, a due process violation, making it impossible to defend against the eviction. His legal maneuvering has obstructed enforcement of federal housing laws, ensuring that Station J-Town can proceed with unlawful displacement tactics unchecked. 3. Aiding & Abetting Housing Fraud and Discriminatory Practices Lauren Stallings and Teresa Ramon, under Zeh's legal advisement, have engaged in housing fraud by providing false statements regarding lease obligations, rent payments, and compliance with federal protections. Zeh has knowingly defended and protected these fraudulent practices, shielding Station J-Town from legal accountability while coercing the court system to act against a federally protected tenant. This constitutes willful complicity in criminal housing fraud, discrimination, and wrongful eviction practices, exposing him to potential legal liability under federal RICO statutes and civil rights violations. Immediate Demand for Accountability & Legal Action Given Zeh's deliberate and unethical actions, I am requesting: A formal investigation into Andrew Zeh's misconduct and his role in facilitating illegal eviction practices and housing fraud. Immediate legal consequences, including disbarment proceedings for his involvement in obstructing justice and suppressing federally protected tenant rights. Accountability measures against Station J-Town, Lauren Stallings, and Teresa Ramon, ensuring that their unlawful actions are fully prosecuted under federal housing law. An official injunction preventing any further eviction actions until all federal housing protections are properly enforced. Criminal referrals to the appropriate authorities for housing fraud, Fair Housing Act violations, and conspiracy to commit civil rights abuses. Andrew Zeh's intentional misconduct has directly contributed to my housing instability and legal hardship, and his actions cannot go unchallenged. Federal intervention is necessary to ensure justice, accountability, and the full protection of disabled tenant rights under the law.](#)

ATTORNEYS GENERAL COPIED - IT IS YOUR DUTY TO ENSURE THIS HAPPENS.

Attorney General's Duty & Legal Obligations

 **Under federal law, the Attorney General is REQUIRED to act when violations are evident.** The following legal mandates apply:

1. 42 U.S.C. § 3614 – Attorney General’s Authority to Enforce the Fair Housing Act

- The **U.S. Attorney General is legally required** to file a civil lawsuit if there is **a pattern or practice of discrimination or obstruction.**
- The fact that **HUD is obstructing fair housing enforcement and removing CC'd agencies** meets the threshold for federal intervention.

2. 18 U.S.C. § 242 – Deprivation of Rights Under Color of Law

- **DOJ and state attorneys general MUST investigate** when officials **deny federally protected rights.**
- **Failure to act = aiding and abetting civil rights violations.**

3. 18 U.S.C. § 1505 – Obstruction of Justice

- The **removal of CC'd parties and rerouting of complaints** shows a deliberate pattern of obstructing an active civil rights complaint.
- **The Attorney General must prosecute individuals involved in obstructing justice.**

4. The RICO Act (18 U.S.C. § 1962)

- **HUD, local agencies, and officials are working together to suppress civil rights complaints, constituting a racketeering conspiracy.**
- This **falls under the jurisdiction of both the U.S. Attorney General and the FBI.**

5. Whistleblower Protection Enhancement Act (WPEA, 5 U.S.C. § 2302(b)(8))

- **Retaliation against a whistleblower is ILLEGAL.**
- **The U.S. Attorney General is REQUIRED to investigate whistleblower retaliation claims - AND I EXPECT THEM TO DO SO INSTEAD OF INGORING / REFUSING WHILE I AM UNDER CONSTANT UNLAWFUL ATTACK AND HAVE REQUESTED WHISTLBLOWER PROTECTIONS MANY TIMES.**

State Attorneys General Responsibility

- **Kentucky Attorney General & Other AGs Copied:**
 - **Must enforce state and federal anti-corruption laws.**
 - **Failure to investigate means they are complicit.**
 - **Since state AGs are refusing to act, my case is further strengthened regarding conspiracy under RICO.**

URGENT ACTION REQUIRED FROM THE ATTORNEYS GENERAL

- ✓ Immediate criminal referral to the DOJ Public Integrity Section.
- ✓ Escalation of RICO, obstruction, and civil rights cases to the FBI and DHS.
- ✓ Formal investigation into HUD and FHEO misconduct.
- ✓ Public acknowledgment that federal and state AGs are investigating.

 **ATTORNEYS GENERAL COPIED – It is your duty to act NOW.** Failure to do so will be documented as complicity in these crimes. 

Subject: URGENT – Illegal Referral & Obstruction of Justice – HUD Fair Housing Complaint 823046

Dear **HUD Region IV, HUD Birmingham, and Louisville Metro Human Relations Commission,**

This response is to formally notify you that your **referral of my complaint to LMHRC is legally improper and constitutes obstruction of justice.**

1. HUD's Referral is Fraudulent & an Obstruction of Federal Law Enforcement

HUD **CANNOT** pass off a **federal** Fair Housing Act complaint to a **local** human relations commission that lacks enforcement power under federal law.

- **HUD Region IV (Atlanta) was the proper authority** to handle this case. Instead, it was improperly diverted to **Louisville** and then **Birmingham, which has NO jurisdiction.**
- **LMHRC has NO federal enforcement power** and cannot resolve claims under the Fair Housing Act, VAWA, ADA, Olmstead, Section 504, or any federally mandated civil rights laws.

This is a **clear attempt to obstruct justice** and **deny federal protections that HUD is legally obligated to uphold.**

2. This Case Must Be Referred Back to DOJ, FBI, & DHS for Investigation

HUD's **failure to properly process this complaint is now a federal crime** under **18 U.S.C. § 242 (Deprivation of Rights Under Color of Law)** and **18 U.S.C. § 1505 (Obstruction of Federal Investigations).**

As a result, you **must immediately escalate this matter to:**

- **DOJ Public Integrity Section** (for corruption and obstruction by HUD).
- **FBI Civil Rights Division** (for federal civil rights violations and Fair Housing Act non-enforcement).

- **DHS Office for Civil Rights & Civil Liberties** (for systemic discrimination and refusal to enforce housing protections).

3. HUD is Engaging in Retaliatory Suppression of Civil Rights Protections

By knowingly diverting my complaint to a **non-federal agency**, HUD is attempting to:

- **Suppress a federal investigation into housing discrimination & retaliation.**
- **Deny legally required disability accommodations.**
- **Obstruct my ability to secure federal whistleblower protections.**

This misconduct is **grounds for immediate federal intervention.**

ACTION DEMANDED IMMEDIATELY:

1. **My complaint must be returned to HUD's proper jurisdiction under federal law.**
2. **HUD must immediately escalate this to DOJ, FBI, and DHS as required under federal law.**
3. **An official written response confirming escalation must be provided.**
4. **All involved officials must be held accountable for obstruction.**

Failure to comply **will result in formal criminal complaints being filed against HUD, FHEO, and PIH officials for obstruction of justice and color of law violations.**

🚨 URGENT – Criminal Federal Obstruction of Justice & Retaliation by HUD 🚨

=====

Ms. Robey,

HUD is engaging in **ongoing federal obstruction of justice** by willfully refusing to enforce federal housing law, suppressing my legitimate complaint, and obstructing my access to legal recourse. This is a **direct violation of 18 U.S.C. § 1510 (Obstruction of Criminal Investigations)** and **18 U.S.C. § 242 (Deprivation of Rights Under Color of Law)**.

HUD's Criminal Obstruction of a Federal Investigation

- HUD has a **mandatory duty** to investigate Fair Housing complaints involving **disability discrimination, retaliation, and housing fraud**.
- HUD is **unlawfully delaying action, refusing to enforce federal law, and attempting to suppress my case**.
- **This is not an administrative failure—this is a willful and intentional act of obstruction under federal law.**

HUD's Obstruction of Justice and Violation of Federal Law

- **My eviction is not a state law issue—it is a federal crime.**
 - The eviction and related discrimination involve **violations of the Fair Housing Act (42 U.S.C. § 3601 et seq.), the Americans with Disabilities Act (ADA), Section 504 of the Rehabilitation Act, the Violence Against Women Act (VAWA), the Olmstead Act, and Section 1915(c)**.
 - I am a **Mainstream Voucher recipient under the age of 65**, meaning additional **federal protections apply** under HUD regulations.
 - HUD employees, including you, Ms. Robey, and Mr. Berrocal, continue to act under Color of Law in willful defiance of federal law.
 - HUD's refusal to act is not just negligence—it is a willful act of criminal obstruction and collusion to cover up systemic civil rights violations. HUD employees are knowingly, violating federal law while operating under Color of Law. Their failure to act is a deliberate effort to suppress protected rights and shield those responsible for ongoing discrimination and fraud.
 - The continued suppression of my case is part of a pattern of institutionalized corruption in which HUD enables violations of the Fair Housing Act, ADA, VAWA, the Olmstead Act, Section 504, Section 1915c, and other federal protections by refusing to enforce federal law.
 - HUD's deliberate inaction directly contributes to ongoing harm against disabled individuals, ensuring that intentional discrimination continues unchecked.
- **HUD's refusal to investigate is not just negligence—it is a clear act of criminal obstruction and collusion to cover up civil rights violations.**

- **I have copied multiple agencies on this email, and I expect them to act.**

These include:

- **U.S. Department of Justice Civil Rights Division**
- **HUD Office of the Inspector General (OIG)**
- **Congressional Oversight Committees**
- **Federal watchdog organizations that monitor HUD enforcement failures**

=====

"HUD's Refusal to Act is Directly Leading to Retaliatory Eviction"

=====

- **HUD's failure to intervene has emboldened my housing provider (Louisville Metro Housing Authority - under the leadership of Elizabeth Strojan (Director) and Camille Robinson (Deputy Executive Director)) (LMHA) to retaliate against me for asserting my legal rights under federal law.**
- **Today, March 18, 2025, I received yet another retaliatory eviction notice, in direct violation of the Fair Housing Act (42 U.S.C. § 3617), which prohibits coercion, intimidation, threats, and interference against individuals exercising their housing rights. Not only this, but to illustrate this as retaliation - it came on the heels of me requesting , from Camille Robinson, also acting under color of law, a legally compliant housing voucher from LMHA. No legally compliant voucher has been received, yet I received another eviction notice and forcible detainer document (attached).**
- **This eviction is not a simple landlord-tenant dispute. It is a federal crime, directly resulting from HUD's refusal to enforce civil rights protections for disabled tenants.**

HUD's inaction is not only violating federal law—it is materially contributing to housing fraud, retaliation, and unlawful deprivation of rights under Color of Law. This obstruction has allowed my landlord and local housing authority (LMHA) to continue their unlawful practices unchecked. By failing to investigate, HUD has become an accessory to this ongoing scheme of discrimination and retaliation.

I am attaching today's eviction notice as further evidence of the consequences of HUD's willful refusal to act.

Formal Demand for Immediate Corrective Action

HUD must immediately:

- ✓ **Escalate my case to the Enforcement Branch for full investigation.**
- ✓ **Provide a written explanation for HUD's failure to enforce federal law and justification for its ongoing obstruction.**
- ✓ **Identify the HUD officials responsible for blocking this case from proceeding.**

HUD is Now Under Formal Complaint For Federal Review

HUD's continued refusal to act will result in the following:

- **A formal complaint to the U.S. Department of Justice Civil Rights Division against HUD personnel for obstruction.**
- **A report filed with the HUD Office of the Inspector General (OIG) for willful non-enforcement and misconduct.**
- **Escalation of HUD's inaction to Congress, the media, and federal oversight agencies to expose systemic corruption and abuse.**

This is **not a request**—this is a **demand for HUD to comply with federal law**. I expect an **immediate response** detailing **corrective action**.

=====

=====

 **I Challenge the U.S. Government's Refusal to Protect Disabled Citizens Under Federal Law** 

=====

=====

If you are a member of the press, I urge you to investigate and report on this **blatant refusal by multiple federal agencies and local and federal authorities to enforce federal law**.

This situation is an egregious and **deliberate act of criminal obstruction**, denying a **disabled citizen and his child** their **federally protected rights**.

Despite **overwhelming evidence and repeated demands for enforcement**, HUD, DOJ, LMHA (Louisville Metro Housing Authority) and other agencies have **knowingly refused** to uphold federal law. Their inaction is not negligence—it is **deliberate noncompliance and criminal complicity in civil rights violations, due process violations, and criminal organized corruption**.

I am **willing to provide interviews**, but **all communication must be in writing** due to my disabilities and for documentation purposes. I ask that **all recipients respect**

this requirement, as it is **critical** for my ability to function.

I have no legal assistance, no advocates, and practically no external support. What I do have—is extensive documentation, irrefutable evidence, my voice, and the truth.

- =====
- **This is not an isolated failure—it is a direct challenge to the U.S. Government’s refusal to protect disabled citizens under federal law.**
 - **If you are a journalist and wish to report on this, I am willing to provide interviews but require all communication in writing due to my disabilities.**
 - **Journalists and investigative reporters must expose this blatant criminal obstruction that spans across multiple federal and state agencies as well as into two circuits of the judiciary, and demand immediate accountability. Multiple federal agencies are engaging in deliberate, criminal, non-enforcement, allowing mass civil rights violations to go unchecked.**

The public must know that federal agencies are engaging in willful criminal obstruction, and those responsible must be held accountable!!

If you are aware of **law enforcement agencies or officials who are not complicit in this corruption**, I ask that you **connect me with the appropriate organization**. As a necessary **ADA accommodation** for my disabilities, all communication must be in writing.

=====

 **ATTACHMENTS: Full Criminal Referral Documents** 

=====

For full transparency, I am also **attaching the following**:

1. **The latest retaliatory eviction notice (March 18, 2025) - day after I again requested a legally compliant Mainstream Voucher (that I am entitled to and approved for) - No legally compliant voucher received - only Eviction and Forcible Detainer Notice.**
2. **Criminal referral regarding judicial corruption and obstruction of justice - this has occurred at this time in the Sixth and Ninth Circuits and at the District and Appellate level in both Circuits.**
3. **Criminal referral documenting local law enforcement’s refusal to process federal criminal complaints. The Jeffersontown Police Department, specifically, Sergeant Burns, Major Torray, and Officer Erie, all refuse to accept the criminal referrals completely obstructing justice.**
4. **Criminal referral documenting state law enforcement’s refusal to process federal criminal complaints. The Kentucky State Police refuse to identify**

the officer that was communicating with me via email - they refuse to provide any name... They also refuse to make a police report, and refuse to do anything associated with the reporting of these crimes.

- 5. Criminal referral for housing federal criminal activity.**
- 6. All of the above represent only a portion of a much larger criminal enterprise acting under the guise of color of law in violation of a large portion of the existing constitutional amendments and in violation of multiple laws. There are numerous civil, criminal, constitutional, and tort violations across a large number of agencies, entities, and individuals acting in their capacities.**

This is a DEMAND for action, not a request. I expect an immediate response detailing corrective action.

✓ Criminal Referral: Housing Fraud & Federal Criminal Activity

- **HUD, Louisville Metro Housing Authority (LMHA), and associated entities are knowingly engaged in organized federal housing fraud, retaliation, and discrimination. Individuals involved in the housing portion of the criminal enterprise are detailed in the attached criminal referral document.**
- **Multiple federal protections—including Fair Housing, ADA, Olmstead, VAWA, and 504—are being willfully violated.**

CRIMINAL ENTERPRISE OPERATING UNDER COLOR OF LAW

This is not isolated misconduct—this is an expansive criminal enterprise involving state, federal, and judicial actors acting under the guise of law in violation of:

- ✓ **Multiple Constitutional Amendments**
- ✓ **Federal Civil Rights Laws**
- ✓ **Federal Criminal Statutes**
- ✓ **Tort Law**

This organized criminal obstruction is denying due process, suppressing evidence, obstructing federal investigations, and enabling ongoing retaliation against a disabled citizen and his child.

THIS IS A NATIONAL CRISIS OF SYSTEMIC GOVERNMENTAL CORRUPTION.

I demand **IMMEDIATE action, full-scale intervention, and an investigation into these willful and coordinated crimes.**

Relationship: FHEO is supposed to investigate housing discrimination complaints and enforce the Fair Housing Act, but Berrocal has willfully ignored my case. ☐ Failure to Investigate My Fair Housing Discrimination Complaint and Miscategorization of my FORMAL LEGAL DISCRIMINATION COMPLAINT as a REQUEST NUMBER instead of a COMPLAINT. I filed multiple complaints regarding disability discrimination and retaliation, but Berrocal and FHEO failed to act. FHEO's refusal to investigate allowed my landlord to proceed with an illegal eviction against a

disabled tenant in violation of Fair Housing laws. ☒Retaliation & Obstruction of Due Process I have made multiple attempts to get FHEO to enforce my rights, but they refuse to investigate. Berrocal has personally ignored my requests for intervention despite clear evidence of discrimination and housing violations. ☒Negligence in Enforcing HUD's Own Policies FHEO's inaction is a direct violation of its mission to protect tenants from housing discrimination. Their refusal to act has allowed LMHA and my landlord to proceed with eviction despite federal housing protections. Relief Sought: ☐A formal investigation into FHEO Region 4's failure to investigate fair housing complaints. ☒Immediate federal intervention to stop the eviction process and protect my housing rights. ☒Accountability measures against James Berrocal for failing to enforce the Fair Housing Act. ☒Corrective action to ensure future complaints from disabled tenants are properly investigated.

Subject: Re: HUD Fair Housing Complaint – JOHN FOUTS (Ongoing Discrimination & Retaliation)**To Whom It May Concern,**

I am responding to your March 17, 2025, letter in which you fraudulently claim that my complaint is untimely due to the one-year statute of limitations under the Fair Housing Act (FHA). **Your analysis is both legally and factually incorrect for the following reasons, and you, nor HUD, nor PIH, nor LMHA, nor Station J-Town nor individuals involved are going to get away with the criminal activity you continue to exhibit:**

1. The Discriminatory Acts Are Ongoing

The alleged discrimination and retaliation are **not** confined to a single act on March 2, 2023. Rather, they have been **continuous and ongoing (AS NOTED DIRECTLY ON THE FORMS I SUBMITTED - ON THE 903 FORMS)**, including **continued retaliatory eviction efforts, suppression/removal/stripping of federally protected tenant rights, and complete obstruction of due process** to this very day. Under well-established Fair Housing Act jurisprudence, **a continuing violation tolls the statute of limitations**, meaning the one-year limit does not apply as long as discrimination continues.

HUD's own regulations and legal precedent affirm that **ongoing acts of retaliation and discrimination reset the clock on the statute of limitations with each occurrence.**

Thus, your attempt to dismiss my complaint on timeliness grounds is not only legally flawed and completely fraudulent, but also a direct failure of HUD to enforce the very laws it is charged with upholding.

2. Retaliation for Exercising Housing Rights is Unlawful, and It is Ongoing

Under **42 U.S.C. § 3617**, it is illegal to "coerce, intimidate, threaten, or interfere with" any person who exercises their Fair Housing rights.

This includes **retaliatory eviction, intimidation, and denial of reasonable accommodations**, all of which I have documented in detail. Retaliation does not have a statute of limitations as long as it continues, and **I am still facing active retaliation as is my special needs disabled child. Clearly, HUD, is also acting in**

discriminatory fashion against us and retaliating us standing up for our federally protected rights.

HUD is knowingly abdicating its duty to prevent illegal retaliation under the FHA, exposing itself to litigation under the Administrative Procedure Act (APA) for failure to enforce civil rights laws.

3. HUD's Jurisdictional Analysis is Incorrect

Your response, again, fraudulently, suggests that my case does not fall under the Fair Housing Act's jurisdiction. **This is blatantly false.** My complaint clearly details violations of:

- **Disability Discrimination (42 U.S.C. § 3604(f))**
- **Retaliation for Exercising Fair Housing Rights (42 U.S.C. § 3617)**
- **Obstruction of Due Process & Denial of Tenant Rights (Section 504 of the Rehabilitation Act, the ADA, and HUD's own regulations)**

HUD has no legal basis to deny jurisdiction over this matter.

A refusal to investigate will be **documented as HUD's direct failure to enforce federal law**, and I will **escalate this to the DOJ and Office of the Inspector General** for further action.

4. HUD's Refusal to Investigate is De Facto Discrimination

HUD's decision to **ignore a disabled tenant's legally protected rights and dismiss an active discrimination case under a false procedural pretext constitutes systemic discrimination and government misconduct.**

If HUD refuses to act, it is in violation of its own mandate to enforce civil rights protections.

HUD's refusal to investigate also constitutes **constructive discrimination** under federal law.

If you do not immediately reverse this decision, I will be **filing an administrative complaint against HUD itself** and escalating this case **to the Office of Civil Rights and the DOJ IMMEDIATELY.**

5. Immediate Demand for Investigation and Injunctive Relief

Given the **ongoing discrimination and retaliation**, I am demanding the following immediate actions:

1. **Formal HUD Investigation:** My complaint must be accepted and fully investigated, including interviews with all parties involved.
2. **Emergency Injunction:** HUD must prevent further retaliatory eviction attempts and discrimination under the FHA including the upcoming second Eviction attempt under false pretenses set up fraudulently.
3. **Federal Referral:** If HUD claims it lacks jurisdiction, this case must be referred to **the Department of Justice for enforcement under federal civil rights laws IMMEDIATELY.**
4. **Official Response from HUD by the end of the day - 5pm EST:** I expect written confirmation that this complaint will proceed. A failure to respond will result in **federal litigation against HUD for dereliction of duty.**

HUD's refusal to act on ongoing discrimination is **a direct violation of federal law** and constitutes **deliberate indifference to civil rights violations**. If corrective action is not taken immediately, I will pursue every legal remedy available, including seeking a **court order compelling HUD to perform its statutory obligations.**

This blatant failure underscores the deep corruption within HUD and its internal agencies, as they continue to fabricate false justifications to evade accountability. This fraudulent misconduct will not go unchallenged. I expect your immediate response before further and additional legal action is pursued.

I also noticed you had removed all the CCed and BCCed entities on the email thread - so I have taken the liberty to ensure they were re-added.

Sincerely,
John R. Fouts, MBA

Dear JOHN FOUTS,

This email acknowledges receipt of your complaint.

Our office, the Office of Fair Housing and Equal Opportunity, administratively enforces the Fair Housing Act designed to afford all persons an equal opportunity to live in housing of their choice and to participate in HUD-assisted programs and activities without regard to race, color, national origin, sex (including gender identity and sexual orientation), religion, familial status (families with children under 18) or disability. For our office to assist you, the law requires your experiences to be connected to the above underlined protections. Meaning, you would have to explain to us what was said or done by the respondent to your complaint that is related to the above underlined protections under the Fair Housing Act.

The statute of limitations to file a housing discrimination complaint is one year from the date of the alleged violation for applicable federal fair housing laws. You indicated that the most recent discriminatory act occurred on 03/02/2023, and we received your complaint on 03/15/2025. Since the incident occurred more than one year ago, your complaint is not timely filed and cannot be

accepted. However, you may retain a private attorney and file a civil suit under the Fair Housing Act up to two years after the last discriminatory action.

Also, under the Fair Housing Act, a denial based on "familial status" means you were denied because you are a family with minor children, a person securing custody of a minor child, or a person who is pregnant. The Fair Housing Act, with some exceptions, prohibits discrimination in housing against families with children under 18. In addition to prohibiting an outright denial of housing to families with children, the Act also prevents housing providers from imposing any special requirements or conditions on tenants with custody of children. Based on the information you provided, this does not appear to apply to your situation.

Additionally, the Act makes it illegal to retaliate against, coerce, intimidate, threaten, or interfere with any person who has filed a previous Fair Housing Act complaint or aided or encouraged another in doing so. Fair Housing Act complaints are those in which the complainant alleges that because of his/her protected characteristics, the housing provider engaged in a discriminatory housing practice prohibited under the Act and discriminated against him/her. If you file a Fair Housing Act complaint and your landlord takes adverse action against you because you filed this type of complaint or because you assisted another person in filing this type of complaint, then such adverse action would be an illegal form of retaliation under the Fair Housing Act. Based on the information you

provided, this does not appear to apply to your situation; therefore, our office does not have jurisdiction to accept your complaint for investigation.

Based upon the information provided, your concerns may be issues involving your rights under state law. HUD does not enforce state laws, nor can HUD provide legal representation. We recommend that you consult with legal aid or a private attorney to ascertain any right of action you may have under state or local laws. Legal Aid of Kentucky: <http://www.kyjustice.org>.

What happened?:

Andrew Zeh, Counsel for Station J-Town, Lauren Stallings, and Teresa Ramon: Enabling Criminal Activity Andrew Zeh, acting as legal counsel for Station J-Town (New Chestnut Ridge Apartments LLC, a Vida-Management, Inc. property), Lauren Stallings, and Teresa Ramon, has knowingly and willfully supported illegal actions in violation of federal and state housing laws. Rather than upholding ethical legal standards, Zeh has actively aided and abetted criminal misconduct by facilitating unlawful eviction tactics, suppressing due process, and obstructing federally protected tenant rights. 1. Enabling Unlawful Eviction & Retaliatory Conduct Station J-Town and its management personnel have engaged in fraudulent eviction practices, including falsifying rent payment records, ignoring Kentucky landlord-tenant laws, and retaliating against me for asserting my federally protected housing rights. Despite knowing the eviction is unlawful, Zeh has continued to push forward procedurally defective filings without addressing the clear violations of the Fair Housing Act, ADA, Section 504, and VAWA protections. He has directly assisted in retaliatory actions against a disabled tenant, in clear violation of federal anti-retaliation protections under HUD regulations. 2. Obstruction of Justice & Suppression of Due Process Zeh has actively misrepresented facts in legal filings, knowing that Station J-Town accepted rent payments but falsely claimed nonpayment to justify an illegal eviction. He has participated in denying essential housing documentation, a due process violation, making it impossible to defend against the eviction. His legal maneuvering has obstructed enforcement of federal housing laws, ensuring that Station J-Town can proceed with unlawful displacement tactics unchecked. 3. Aiding & Abetting Housing Fraud and Discriminatory Practices Lauren Stallings and Teresa Ramon, under Zeh's legal advisement, have engaged in housing fraud by providing false statements regarding lease obligations, rent payments, and compliance with federal protections. Zeh has knowingly defended and protected these fraudulent practices, shielding Station J-Town from legal accountability while coercing the court system to act against a federally protected tenant. This constitutes willful complicity in criminal housing fraud, discrimination, and wrongful eviction practices, exposing him to potential legal liability under federal RICO statutes and civil rights violations. Immediate Demand for Accountability & Legal Action Given Zeh's deliberate and unethical actions, I am requesting: A formal investigation into Andrew Zeh's misconduct and his role in facilitating illegal eviction practices and housing fraud. Immediate legal consequences, including disbarment proceedings for his involvement in obstructing justice and suppressing federally protected tenant rights. Accountability measures against Station J-Town, Lauren Stallings, and Teresa Ramon, ensuring that their unlawful actions are fully prosecuted under federal housing law. An official injunction preventing any further eviction actions until all federal housing protections are properly enforced. Criminal referrals to the appropriate authorities for housing

fraud, Fair Housing Act violations, and conspiracy to commit civil rights abuses. Andrew Zeh's intentional misconduct has directly contributed to my housing instability and legal hardship, and his actions cannot go unchallenged. Federal intervention is necessary to ensure justice, accountability, and the full protection of disabled tenant rights under the law.

URGENT RETALIATION COMPLAINT – James Berrocal, FHEO Region 4 -- 2025-03-15

Subject: URGENT RETALIATION COMPLAINT – James Berrocal, FHEO Region 4

To the Assistant Secretary for Fair Housing & Equal Opportunity,

I am filing a formal **retaliation complaint** against **James Berrocal (FHEO, Region 4)** for **obstructing my fair housing complaint and voiding my HUD Form 903 submission.**

Background:

I submitted a **legitimate Fair Housing discrimination complaint** against **Louisville Metro Housing Authority (LMHA), Station J-Town (New Chestnut Ridge Apartments LLC), and other entities** for violations of my federally protected rights under:

- **The Fair Housing Act (42 U.S.C. § 3601 et seq.)**
- **Section 504 of the Rehabilitation Act**
- **The Americans with Disabilities Act (ADA)**

Instead of processing my complaint properly, **James Berrocal deliberately miscategorized my complaint to weaken my legal claims.** I refused to sign an altered document that **did not reflect the actual nature of my case.**

Recent Retaliation & Obstruction of Due Process:

- On **March 15, 2025**, Berrocal **voided my HUD 903 complaint submission via DocuSign**, claiming that the **"envelope expired."**
- This is a **blatant act of retaliation** against me for **refusing to accept his earlier mischaracterization of my case.**
- This **denied me access to the fair housing complaint process**, violating HUD's own regulations under **24 CFR § 100.400(c)(5)** (prohibiting retaliation).

Questions about the Document?

If you need to modify the document or have questions about the details in the document, please reach out to the sender by emailing them directly.

Requested Actions:

1. Immediate Investigation into Berrocal's Misconduct:

- Why did Berrocal void my legally protected fair housing complaint?
- Why did he attempt to alter my original complaint to so dramatically and significantly weaken my claims unlawfully? -- I have attached my original complaint forms, criminal referral, large nationwide housing racketeering and fraud / false claims scheme involving multiple federal, state, and local organizations acting under the guise of federal programs under law and many individuals doing the same acting in their individual capacities.

2. Formal Processing of My HUD 903 Complaint:

- Ensure my complaint is filed **without manipulation or categorization errors.**
- Assign oversight **from the national HUD office, not Region 4.**

3. Disciplinary Action Against Berrocal for Retaliation & Obstruction:

- His actions have denied me access to due process under the Fair Housing Act.
- His failure to act has enabled my landlord and HUD Louisville to continue violating my rights.

4. Confirmation of HUD's Retaliation Policy & Protections for Complainants:

- I request written confirmation that **HUD enforces its retaliation policy** under **24 CFR § 100.400** to prevent further abuse.

I expect a **formal response within 3 business days** confirming that my complaint is being investigated. I am prepared to escalate this issue to **DOJ Civil Rights, the Senate Housing Com and federal oversight bodies**.

Sincerely,

John Fouts
